# ST KITTS & NEVIS INTERNATIONAL SHIP REGISTRY

# MARITIME CIRCULAR – MC 135 24

LIST OF NATIONAL OPERATIONAL CONTACT POINTS
FOR SOPEP AND SMPEP

## 1. Purpose

1.1. The purpose of this Maritime Circular is to remind Shipowners, Ship Managers and Ship Operators of St. Kitts and Nevis flag ships of the requirement under MARPOL of updating SOPEP and SMPEP of their ships with a revised version of *the List of national operational contact points responsible for the receipt, transmission and processing of urgent reports on incidents involving harmful substances including oil from ships to coastal States*, as published quarterly by IMO.

## 2. Introduction

2.1. Regulation 37.2.4 of MARPOL Annex I and Regulation 17.2.4 of MARPOL Annex II stipulate that ships should have access to a list of authorities or persons to be contacted in the event of pollution incident. Therefore, Shipboard Oil Pollution Emergency Plan (SOPEP) and Shipboard Marine Pollution Emergency Plan (SMPEP) of ships should contain the latest version of *the IMO List of national operational contact points responsible for the receipt, transmission and processing of urgent reports on incidents involving harmful substances including oil from ships to coastal States,* as following:

- Shipboard Oil Pollution Emergency Plan (SOPEP) for ships over 400 GT, and
- Shipboard Marine Pollution Emergency Plan (SMPEP) for ships of 150 GT and above certified to carry Noxious Liquid Substances in bulk.

2.2. Adopted by IMO *Resolution MEPC.54 (32)*, as amended by *Resolution MEPC.86 (44)*, on *the SOPEP Guidelines* and *Resolution MEPC.85 (44)*, as amended by *Resolution MEPC.137 (53)*, on *the SMPEP Guidelines* require that SOPEP and SMPEP should include, as an appendix, the latest list of agencies or officials of Administrations, responsible for receiving and processing reports on incidents involving oil and/or harmful substances.

2.3. The latest version of *the List of national operational contact points responsible for the receipt, transmission and processing of urgent reports on incidents involving harmful substances including oil from ships to coastal States* to date is annexed to this Circular.

2.4. IMO updates this list on a quarterly basis (quarterly dates: 31 January, 30 April, 31 July and 31 October). Alternatively, the latest version of the list of national operational contact points can be found on IMO website following this link https://www.imo.org/en/ourwork/circulars/pages/cp.aspx

## 3. Application and Recommendations

3.1. In order to ensure ongoing compliance with Regulation 37 of MARPOL Annex I and Regulation 17 of MARPOL Annex II, this Administration invites Shipowners and Ship Managers to forward onboard of their ships the latest list of national operational contact points to update Annex 2 of their SOPEP and SMPEP accordingly, on a quarterly basis.

If you have any questions, please contact this office at mail@skanregistry.com

Yours truly,

Liam Ryan

MSC-MEPC.6/Circ.22
31 January 2024

# NATIONAL CONTACT POINTS FOR SAFETY AND POLLUTION PREVENTION AND RESPONSE

1 This circular replaces all previously issued circulars under this title.

2 The annex to this circular includes the "List of national operational contact points responsible for the receipt, transmission and processing of urgent reports on incidents involving harmful substances including oil from ships to coastal States".

3 The information, included in annex 1 of previous versions of this circular (prior to MSC-MEPC.6/Circ.15), may be accessed through GISIS at https://gisis.imo.org/Public/CP/Browse.aspx?List=SICI. This includes contact point information for:

.1 national inspection services – head offices (originally MSC/Circ.630);

.2 national inspection services – local offices (originally MSC/Circ.630);

.3 inspection services acting as representatives of flag States for port State control matters and responsible authorities in charge of casualty investigation (originally MSC/Circ.542); and

.4 Secretariats of Memorandums of Understanding on Port State Control.

4 Member Governments are requested to:

.1 provide information on any changes or additions to the lists of contact points by directly updating the relevant information in the Contact Points module of GISIS;

.2 provide addresses, telephone and fax numbers, and electronic mail addresses of inspection services acting as representatives of flag States in case of port States interventions; and

.3 notwithstanding the provisions of the 1974 SOLAS Convention, as amended, with regard to communication of an intervention, port State authorities are requested, in order to expedite communications, to additionally convey information, related to port State control interventions, to those flag State inspection services (Head Offices) or to the inspection services acting as representatives of flag States, when available.

NAVIGATING THE FUTURE: SAFETY FIRST!

5 The list described in paragraph 2 is issued as the annex to the MSC-MEPC.6 circular posted annually on IMODOCS. However, the most up-to-date version of the list can be downloaded from the Contact Points module of the GISIS website at https://gisis.imo.org/Public/CP/Browse.aspx?List=URHS. The entire circular, including its annex, as well as a stand-alone PDF version of the annex, are also available on the IMO website at http://www.imo.org and can be accessed through either the "National Contacts" or "Circulars" links on the bottom of the IMO homepage.

6 For ship inspection purposes, the only official version of the List of national operational contact points responsible for the receipt, transmission and processing of urgent reports on incidents involving harmful substances including oil from ships to coastal States – Annex is the updated version, which is issued electronically on a quarterly basis. The quarterly date for this official version is specified at the top of each page of the above list. Effective January 2018, the quarterly dates for the official version of the updated list will be as follows 31 January, 30 April, 31 July and 31 October. It will be available on the IMO website and can be downloaded as stated in paragraph 5. In this connection, the next circular under this title (MSC-MEPC.6/Circ.23) will be issued on 31 January 2025.

7 Queries on the management of the data contained in the above-mentioned lists of national contact points should be addressed to:

**ANNEX**

**LIST OF NATIONAL OPERATIONAL CONTACT POINTS RESPONSIBLE FOR THE RECEIPT, TRANSMISSION AND PROCESSING OF URGENT REPORTS ON INCIDENTS INVOLVING HARMFUL SUBSTANCES INCLUDING OIL FROM SHIPS TO COASTAL STATES**

1 The following information is provided to enable compliance with regulation 37 of MARPOL Annex I which, *inter alia*, requires that the Shipboard Oil Pollution Emergency Plan (SOPEP) shall contain a list of authorities or persons to be contacted in the event of a pollution incident involving such substances. Requirements for oil pollution emergency plans and relevant oil pollution reporting procedures are contained in articles 3 and 4 of the 1990 OPRC Convention.

2 This information is also provided to enable compliance with regulation 17 of MARPOL Annex II which, inter alia, requires that the shipboard marine pollution emergency plans for oil and/or noxious liquid substances shall contain a list of authorities or persons to be contacted in the event of a pollution incident involving such substances. In this context, requirements for emergency plans and reporting for hazardous and noxious substances are also contained in article 3 of the 2000 OPRC-HNS Protocol.

3 Resolution MEPC.54(32), as amended by resolution MEPC.86(44), on the SOPEP Guidelines, and resolution MEPC.85(44), as amended by resolution MEPC.137(53), on the Guidelines for the development of Shipboard Marine Pollution Emergency Plans for Oil and/or Noxious Liquid Substances, adopted by IMO, require that these shipboard pollution emergency plans should include, as an appendix, the list of agencies or officials of administrations responsible for receiving and processing reports. Such a list is developed and updated by the Organization in compliance with article 8 (Reports on incidents involving harmful substances) and Protocol I (Provisions concerning Reports on incidents involving harmful substances) of the MARPOL Convention. Under article 8 of the MARPOL Convention, each Party to the Convention shall notify the Organization with complete details of authorities responsible for receiving and processing reports on incidents for circulation to other Parties and Member States of the Organization. Attention is also drawn to both Guidelines which stipulate that "in the absence of a listed focal point, or should any undue delay be experienced in contacting the responsible authority by direct means, the master should be advised to contact the nearest coastal radio station, designated ship movement reporting station or rescue coordination centre (RCC) by the quickest available means".

4 The "List of national operational contact points responsible for the receipt, transmission and processing of urgent reports on incidents involving harmful substances including oil from ships to coastal States" contained in the circular is updated at the end of each calendar year. This list is an update of that contained in MSC-MEPC.6/Circ.22, dated 31 January 2024, as amended.

5 The above mentioned "List" is available on the Internet and can be accessed at https://www.imo.org/en/OurWork/Circulars/Pages/CP.aspx?refresh=1 (or select the **National Contacts** link on the bottom of the IMO homepage). This Internet version is updated on a quarterly basis and includes **a summary indicating which country has submitted changes to its information, since the previous update.**

6 On receipt of this latest version and in order to maintain an accurate list, it is necessary that Member States check their respective information to ensure that it is correct. Effective 29 February 2008, Member States are requested to directly update their respective information in the Global Integrated Shipping Information Systems (GISIS) using the reporting facilities of the Contact Points module.

**CHANGES OR AMENDMENTS TO THE LIST OF NATIONAL OPERATIONAL CONTACT POINTS RESPONSIBLE FOR THE RECEIPT, TRANSMISSION AND PROCESSING OF URGENT REPORTS ON INCIDENTS INVOLVING HARMFUL SUBSTANCES INCLUDING OIL FROM SHIPS TO COASTAL STATES**

The following updates are based on information from countries that notified IMO of additions, changes, or amendments to MSC-MEPC.6/Circ.22:

**Updates from 1 August to 31 October 2024**
